Let It Snow

Boyz Ii Men

Let it snow
Let it snow
Let it snow
It's another Christmas holiday
It's a joyous thing, let the Angels sing
'Cause we're together
We got a thing, can't let it slip away
Go outside, it's raining sleet
When our bodies meet
I don't care about the weather
Let it snow, let it snow, outside it's cold
But the fire's blazin' so, baby, let it snow
Let it snow, yeah
Let it snow, let it snow
Come over here and help me trim the tree
I wanna wrap you up, baby
Then you'll see
You're the only present I need
There's so much more
Waiting for you in store
From this precious day, I can gladly say
There's no place that I'd rather be
I know, you've found my everything
Come a little closer
God must have sent you down from Heaven
Let it snow, let it snow
Outside it's cold
But the fire's blazin'
So, baby, let it snow
Let it snow
Let it snow
Let it snow
Let it snow
Let it snow
Let it snow, baby
Let it snow
I don't care what the weather there
Let it snow
Let it snow

Let it snow
I don't care what the weather may be
Only to introduce me
As long as you're here with me, oh yeah
I don't mind, I don't mind
I don't care what the weather may be
As long as you're here, with me
