

Never Meant

American Football

Let's just forge
Everything said
Everything we did
Best friends and better halves
And the autumn night when we realized
We were falling out of love
(There were some things that were said that weren't meant)
But we never did
Overly dramatic
I just think it's best
'Cause you can't miss what you forget
So let's just pretend
Everything and
Anything between you and me
Was never meant
