

Youth Youth Youth

[Billy Idol](#)

Youth youth youth
Youth youth youth
Never wanna be an adult
Always wanna be in revolt Youth youth youth
Youth youth youth Don't wanna spend my life saving up for things
Don't wanna have what a steady job brings
I don't want security
Don't want responsibility Don't wanna stay at home not making any noise
I've always got to be out
I've always got to have a choice
I don't want security
Don't want responsibility Youth youth youth
Youth youth youth I don't want no uniform
I don't want no book of rules Youth youth youth
Youth youth youth Never wanna be an adult
Always wanna be in revolt Youth youth youth
Youth youth youth I don't want no uniform
I don't want no book of rules
