

Cashout

Kollosus

on the morning of the first eviction
they carried out the wishes of the landlord and his son
furniture's out on the sidewalk next to the family
that little piggie went to market,
so they're kicking out everyone talking about process and dismissal
forced removal of the people on the corner
shelter and location
everybody wants somewhere the elected are such willing partners
look who's buying all their tickets to the game
development wants, development gets its official
development wants this neighborhood gone
so the city just wants the same talking about process and dismissal
forced removal of the people on the corner
shelter and location
everybody wants somewhere
everybody wants somewhere
