I Found A Reason

The Velvet Underground

Pa papa papa papa
Pa papa papa papa
Pa papa papa papa
Pa papa papa papaI found a reason to keep living
Oh and the reason dear is you
I found a reason to keep singing
Oh and the reason dear is youOh I do believe
If you don't like things you live
For some place you've never gone beforePa papa papa papa
Pa papa papa papa
Pa papa papa papa
Pa papa papa papaHoney, I found a reason to keep living
And you know the reason dear it's you
And I've walked down life's lonely highwaysHand in hand with myself
And I realized
How many paths have crossed between usOh I do believe
You're all what you perceive
What come is better that what came beforeOh I do believe
You're all what you perceive
What come is better that what came beforePa papa papa papa
Pa papa papa papa
Pa papa papa papa
Pa papa papa papaAnd you'd better come, come, come, come to me
Come, come, come to me
Yeah come, come, come, come to mePa papa papa pa
