

Secrets

Anastacia

Yeah, yeah, yeah
Late in September, the memories I can't erase
The shiver through autumn, the memory of your face
'Cause I grew much older, I wonder
Whatever I could have done to fight all the magnets
But I close my eyes
And find truth in what I'm sayin'
They thought it was all a lie
How could they deny it when I was just a little child
Secrets I kept inside me, no one can understand
Secrets I had to hide 'cause no one would hold my hand when
Secrets for me to know and never for you to see
Secrets for only me
Emotions so bother my soul, to know that I felt such pain
I thought it would go far away, it did for the moment
Find truth in what I'm sayin', they thought it was all a lie
How could they deny it when I was just a child? Babe come one now
Secrets I kept inside me, no one could understand
Secrets I had to hide 'cause no one would hold my hand when
Secrets for me to know and never for you to see
Secrets for only me
The little ones that could not escape the pain and misery
Would no one ever set them free?
Why do you pretend to see all the pain they had to go through?
Can't you hear them cry to you?
Secrets I kept inside me, no one can understand
Secrets I had to hide 'cause no one would hold my hand when
Secrets for me to know, never for you to see
Secrets for only me
Secrets I kept inside me, no one can understand
Secrets I had to hide 'cause no one would hold my hand when
Secrets for me to know and never for you to see
Secrets for only me
Oh babies crying, people are dying
This secrets inside their heart no one ever yeah
Oh yeah, oh yeah, come on, come on and sing with me
Secrets I, I know, there's nobody up in here
That can hear the cries I hear, inside my mind, but I cry yeah
Yeah, yeah
