True Story (Skit)

Ja Rule

True fuckin' story, I swear on my mother's eyes
The greatest fuckin' come back everFuckin' bottom of the ninth, right?
Three balls, two strikes
Two outs, bases all loaded
Whitie Herzog is on the fuckin' mount
I don't know, some fuckin' kidThis fuckin' kid comes up, I fuckin' put my drink down
Fuckin' look up, the fuckin' ball goes over the green monster
You hear what I'm tellin' you? I swear on my mother's eyes
True fuckin' story
