

# Saltwater

Chet Atkins

We are a rock revolving  
Around a golden sun  
We are a billion children rolled into one  
So when I hear about the hole in the sky  
Saltwater wells in my eyes

We climb the highest mountain  
We'll make the desert bloom  
We're so ingenious we can walk the moon  
But when I hear of how the forest have died  
Saltwater wells in my eyes

I have lived for love  
But now that's not enough  
For the world I love is dying And now I'm crying  
And time is not a friend (no friend of mine)  
As friends we're out of time  
And it's slowly passing by ....right before our eyes

We light the deepest ocean  
Send photographs of Mars  
We're so enchanted my how clever we are  
Why should one baby feel so hungry she cries  
Saltwater wells in my eyes

I have lived for love  
But now that's not enough  
For the world I love is dying And now I'm crying  
And time is not a friend (no friend of mine)  
As friends we're out of time  
And it's slowly passing by ....right before our eyes

We are a rock revolving  
Around a golden sun  
We are a billion children rolled into one  
What will I think of me the day that I die  
Saltwater wells in my eyes  
Saltwater wells in my eyes
