Shorty Be Mine

DJ Dara

You hit me up on your cell phone
You go girl with your thong, th-thong, thong, thong
Sexy black come over here
And let me put a few love buzzez in your ear
You smiled at me
Girl, you so fly
Shorty you never had a thug like I
Say, Shorty, would you be mine?
Say would you be mine?
Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
Say, Shorty, would you be mine?
Say would you be mine?
Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
I'm like Shorty would you be mine
Think about you all the time, you on my speed-dial
Don't answer da phone and I'll be damned if I hit redial
Can you hear me now?
Good
From the first time I called I know you understood
But do you comprehend girl, keep with the plan
I'm like one hour, compared to a minute man
I'm everlasting
I want longevity
Under pretty Ricky
Babe, it's where you need to be
Say, Shorty, would you be mine?
Say would you be mine?
Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
Say, Shorty, would you be mine?
Say would you be mine?

Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
I know you're young but you're ready
See we can bump and grind like R. Kelly
Baby, we ain't gotta fuss and fight
Let's take our time and do it right
We gon' make love tonight
I'm like a love roller coaster
Flip you over, make you scream my real name
Holla diamond blue smith when you feel the pain
Ain't runnin' game, that ain't my territory
Ask Remi Martin wut'z the real true story
When I push, pull me closer, let me put this thang on ya
Like your lover wuz suppose 'ta, I'm the one you need girl
Girl, let me show ya, I turn you to a woman from a child
I'm your destiny, Baby, I'm a soulja
We gon' brake it down
We gon' brake it down
Shorty, Shorty, say would you be mine?
Shorty, Shorty would you be mine?, Shorty would you be mine?
Shorty, Shorty, say would you be mine?
Shorty, yea, Shorty would you be?
I'm not gon' leave ya, I'm not a cheater
A heart-breaker and deceiver, I wanna be witcha
Now Shorty would you be mine through hard times
Easter, Christmas, Thanksgiving, even Valentines
Forever, today and beyond, baby, what's wrong
Ain't nothing wrong with slow grindin' to a slow song
Now give me my neck bone, you feelin' so tender
Let me place some of this teddy penda
What's on my agenda, putting ice on your ring finger, yea
Say, Shorty, would you be mine?
Say would you be mine?
Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
Say, Shorty, would you be mine?
Say would you be mine?
Shorty would you be mine?
Say would you be mine?
Say would you be mine?
Shorty would you be mine?
