

# There Will Come a Day

## Faith Hill

It's not easy trying to understand  
How the world can be so cold  
Stealing the souls of man  
Cloudy skies rain down on all your dreams  
You wrestle with the fear and doubts  
Sometimes it's hard, but you gotta believe  
There's a better place  
Where our Father waits  
And every tear He'll wipe away  
The darkness will be gone  
The weak shall be strong  
Hold on to your faith  
There will come a day  
There will come a day  
Wars are raging lives are scattered  
Innocence is lost and hopes are shattered  
The old are forgotten, the children are forsaken  
In this world we're living in is there anything sacred  
There's a better place  
Where our Father waits  
And every tear He'll wipe away  
The darkness will be gone  
The weak shall be strong  
Hold on to your faith  
There will come a day  
There will come a day  
The song will ring out down those golden streets  
The voices of earth with the angels will sing  
Every knee will bow sin will have no trace  
In the glory of His amazing grace  
Every knee will bow sin will have no trace  
In the glory of His amazing grace  
There will come a day  
There will come a day  
Oh, there will come a day  
There will come a day  
I know there's coming a day, coming a day
