

Pass Out (Radio Edit)

Tinie Tempah

It's okay
I'm good
Let's go

Yeah (yeah), we bring the stars out
We bring the women and the cars and the cards out
Let's have a toast a celebration get a glass out
And we can do this until we pass out

(So) let it rain
Let it pour away
We won't come down
Until we hit the ground and pass out

Yeah, yeah, I'm in charge now
I'm a star and I bought my fucking cast out
I live a very, very, very wild lifestyle
Heidi and Audrina eat your heart out
I used to listen to "You don't wanna bring arms house"
I got so many clothes I keep 'em in my aunt's house
Disturbing London, bab,y we about to branch out
Soon I'll be the king like Prince Charles' child, yeah

Yeah, yeah, and there ain't nobody fresher
Semester to semester, ravin' with the freshers
Twenty lightbulbs around my table and my dresser
CLC Kompressor, just in case that don't impress her
Say hello to Dexter, say hello to Uncle Fester
Got them gazing at my necklace and my crazy sun protectors
G Shocks, I got a crazy Don collection
Haters, I can't fuckin' hear your reception

Yeah, yeah, we bring the stars out
We bring the women and the cars and the cards out
Let's have a toast, a celebration, get a glass out
And we can do this until we pass out

(So) let it rain
Let it pour away
We won't come down

Until we hit the ground and pass out

Yeah, they say hello, they say hola, and they say bonjour
I'm pissed I never got to fly on a concord
I been South Hampton but I've never been to Scunthorpe
I'm fucking crazy with the kicks, call me Jean Claude

About to be a bigger star than my mum thought
'Cause every day I got a groupie at my front door
Now I drive past the bus I used to run for
Where's my fucking clap, where's my encore?

I walk alone 'cause I was born alone
I chirpse her just for fun, I never ever call her phone
I leave her in the club, I never ever walk her home
D, you're the fucking foundation, I'm the cornerstone
I'm born famous, I'm sorta known
If you son doesn't, I bet your daughter knows
Check out my visual, check out my audio
Extraordinary, yo, hope you enjoyed the show

Yeah, yeah, we bring the stars out
We bring the women and the cars and the cards out
Let's have a toast, a celebration, get a glass out
And we can do this until we pass out

(So) let it rain
Let it pour away
We won't come down
Until we hit the ground and pass out

Whoa, whoa

Uh, look at me, I been a cheeky bastard, man, I'm
Look at all the drama started, now I'm
In here laying on my back
Saying, "DJ, won't you gimme one more track?"

I'll apologize for tonight, tomorrow morning

(So) let it rain
Let it pour away
We won't come down
Until we hit the ground and pass out

(So) let it rain

Let it pour away
We won't come down
Until we hit the ground and pass out

Pass out
