

# Brand New Day (Artists Edition)

## Forty Foot Echo

Never thought I'd say, "I'm sorry"  
Never thought I'd be the one to bring you down  
Now when I look out my window  
But there doesn't seem to be anyone around  
And I, I think I'll change my ways  
So all your words get noticed  
Tomorrow's a brand new day  
Tomorrow's a new day  
We said we'd take little time  
For both of us to see  
And wonder what it'd be like to carry on  
Ya, I know I got crazy  
Well, I guess that's just me  
If I could turn back time before  
The wrong  
And I, I think I'll change my ways  
So all your words get noticed  
Tomorrow's a brand new day  
Tomorrow's a new day  
Ya, and I, I think I'll change my ways  
So all your words get noticed  
I think I'll change my ways, I think I'll change my ways  
Ahh, ahh, I think I'll change my ways  
Never thought I'd say, "I'm sorry"  
Never thought I'd be the one to bring you down
