

Piece by Piece

[Kelly Clarkson](#)

And all I remember is your back
Walking towards the airport, leaving us all in your past
I travelled fifteen hundred miles to see you
Begged you to want me, but you didn't want to But piece by piece, he collected me up
Off the ground, where you abandoned things and
Piece by piece he filled the holes that you burned in me
Six years old and you know
He never walks away
He never asks for money
He takes care of me
He loves me
Piece by piece, he restored my faith
That a man can be kind and the Father could, stay
