

# (that's What You Get) For Lovin' Me

[Elvis Presley](#)

(Words & music by Gordon Lightfoot)

That's what you get for loving me  
That's what you get for loving me  
Everything we had is gone, you can see  
That's what you get for loving me  
Now don't you shed a tear for me  
I ain't the love you thought I'd be  
I've had a hundred just like you  
But don't be blue I'll have a thousand before I'm through  
That's what you get for loving me  
That's what you get for loving me  
Everything we had is gone, you can see  
That's what you get for loving me

Now there you go, you're cryin' again  
You should have known how things would end  
But then some day when your poor heart is on the mend  
I just might pass this way again  
That's what you get for loving me  
That's what you get for loving me  
Everything we had is gone, you can see  
That's what you get for loving me  
That's what you get for loving me  
That's what you get for loving me  
Everything we had is gone, you can see  
That's what you get for loving me
