

# What Made Milwaukee Famous (made A Loser Out Of Me)

## Flogging Molly

Well, it's late and she's waiting  
And I know I should go home  
But ev'ry time I start to leave  
They play another Jerry Lee song, yes, they do  
Somebody'll buy another round  
And with every drinks are free  
What made Milwaukee famous  
Has made a fool out of me  
Baby's begged me not to go  
A thousand times before  
She says love and happiness  
Just don't live behind those swinging doors  
Now she's gone and I'm to blame  
Too late, I finally see  
What's made Milwaukee famous  
Has made a loser out of me  
Baby's beggin' me not to go  
So many times before  
She says love and happiness  
Can't live behind those honky tonk doors  
Now she's gone and I'm to blame  
Too late, I finally see  
What's made Milwaukee famous  
Has made a loser out of me  
What's made Milwaukee famous  
Has made a loser out of me
