Lady (You Bring Me Up)

Commodores

Lady
You bring me up when I'm down
Maybe
You're gonna change my life aroundYou came to me when I was lonely
And no one cared
You made me see that I was only
Just runnin' scaredI saw your face and somethin' told me
You were the one
You smiled at me and now I see
My life's begunLady
You bring me up when I'm down
Maybe
You're gonna change my life aroundLady
You brought me in from out the rain
Maybe
My life will never be the sameOnce I was filled with desperation
A solitary man
You gave me hope and inspiration
Like only true love canNow, I believe in what you're sayin'
I'm ten feet tall
This love don't need no explainin'
We've got it allLady
You bring me up when I'm down
Maybe
You're gonna change my life aroundLady
You bring me up when I'm down
Maybe
You're gonna change my life aroundLady
You brought me in from out the rain
Maybe
My life will never be the sameLady
You bring me up when I'm down
Maybe
You're gonna change my life aroundLadyLady
You bring me up when I'm down
Maybe
You're gonna change my life aroundLadyLady
You bring me up when I'm down
