

The Fire of Commitment

Jason Shelton

(Verse 1) From the light of days remembered burns a beacon bright and clear
Guiding hands and hearts and spirits into faith set free from fear.

(Refrain) When the fire of commitment sets our mind and soul ablaze
When our hunger and our passion meet to call us on our way
When we live with deep assurance of the flame that burns within
Then our promise finds fulfillment and our future can begin.

(Verse 2) From the stories of our living rings a song both brave and free
Calling pilgrims still to witness to the life of liberty

(Refrain)

(Verse 3) From the dreams of youthful vision comes a new, prophetic voice
Which demands a deeper justice built by our courageous choice.

(Refrain)
