

Will They Love Him

Leslie Phillips

What's in the Father's mind?
Why does He have to go?
And if I can't go with Him
There's one thing I must know Will they love Him
Will they love Him like I do?
Will they serve Him
Take care of Him like I do? I'm afraid to watch Him go
Afraid their hearts aren't true
Oh, will they love Him
Love Him like I do? What can you say when all is lost
When the light of day has gone away?
Well, that's how it feels to watch Him go
Down to earth to a humble birth And as He goes away
I hear my heart say Will they love Him
Will they love Him like I do?
Will they serve Him
Take care of Him like I do? I'm afraid to watch Him go
Afraid their hearts aren't true
Oh, will they love Him
Love Him like I do? How can we sing when He is gone?
We've lost everything when we've lost our King
And why does He go just like a man
Small and weak, humble and meek And as He goes away
I hear my heart say Will they love Him
Will they love Him like I do?
Will they serve Him
Take care of Him like I do? I'm afraid to watch Him go
Afraid their hearts aren't true
Oh, will they love Him
Love Him like I do? Will they love Him
Love Him like I do?
Will they love Him
Love Him like I do? Will they love Him
Love Him like I do?
Will they love Him
Love Him like I do?
Will they love Him
Love Him like I do?
