I'm Gonna Be Strong

Blue Angel

I can see
You're slipping away from me
And you're so afraid
That I'll plead with you to stay
But I'm gonna be strong
I'll let you go your wayLove is gone
There's no sense in holding on
And your pity now
Would be more than I could bare
So I'm gonna be strong
I'll pretend I don't careI'm gonna be strong
And stand as tall as I can
I'm gonna be strong
And let you go along
And take it like a manWhen you say it's the end
I'll hand you a line, I'll smile and say
"Don't you worry, it's fine"
But you'll never know darling
After you kiss me goodbye
How I'll break down and cry
