

# Material Girl

## Walk Off the Earth

Some boys kiss me, some boys hug me

I think they're O.K.

If they don't give me proper credit

I just walk away They can beg and they can plead

But they can't see the light (that's right)

'Cause the boy with the cold hard cash

Is always Mister Right, 'cause we are

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl Some boys romance, some boys slow dance

That's all right with me

If they can't raise my interest then I

Have to let them be Some boys try and some boys lie but

I don't let them play (no way)

Only boys who save their pennies

Make my rainy day, 'cause they are

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material world Boys may come and boys may go

And that's all right you see

Experience has made me rich

And now they're after me, 'cause everybody's

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl A material, a material, a material, a material world Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a...

Yeah!
