

Hold Me Tight Or Donâ€™t™

Fall Out Boy

[Intro]

Oh na na na na na na na na[Verse 1]

I never really feel a thing

I'm just kinda too frozen

You were the only one

That even kinda came close

I just pinch myself

No longer comatose

I woke up, no luck

I woke up, no luck

[Pre-Chorus]

And when your stitch comes loose

I wanna sleep on every piece of fuzz

And stuffing that comes out of you, you

I took too many hits off this memory

I need to come down[Chorus]

An-n-n-n-n-n-n-n-nother day goes by

So hold me tight

Hold me tight, or don't

Oh n-n-no, no this isn't how our story ends

So hold me tight

Hold me tight, or don't

Oh na na na na na na na na na na

Na na na na na na na

Oh na na na na na na na na na na

[Verse 2]

I got too high again

Realized I can't not be with you

Or be just your friend

I love you to death

But I just can't, I just can't pretend

We weren't lovers first

Confidants but never friends

Were we ever friends?[Pre-Chorus]

But when your stitch comes loose

I wanna sleep on every piece of fuzz

And stuffing that comes out of you, you

I took too many hits off this memory

I need to come down[Chorus]

An-n-n-n-n-n-n-nother day goes by
So hold me tight
Hold me tight, or don't
Oh n-n-no, no this isn't how our story ends
So hold me tight
Hold me tight, or don't
Oh na na na na na na na na na na
Na na na na na na na
Oh na na na na na na na na na na
Hold me tight, or don't[Bridge]
'Cause I'm past the limits
The distance between us
It sharpens me like a knife
Past the limits
The distance between us
It sharpens me like a knife[Chorus]
An-n-n-n-n-n-n-nother day goes by
So hold me tight
Hold me tight, or don't
I'm pretty sure that this isn't how our story ends
So hold me tight
Hold me tight
Hold me tight, or don't
Oh na na na na na na na na na na
Na na na na na na na
Oh na na na na na na na na na na
