

DJ Khaled

Azizi Gibson

[Hook]

Going steady, when I can't have it
They don't want you happy, bitch it's Dj Khaled
They don't want me living in a fucking mansion
They just want me dead cuz' a nigga savage
Guess what?
I'm filthy rich
Chef what we got on the menu here
A bunch of niggas hating on my derriere
That's why I gotta shit on you every year[Verse 1: Azizi Gibson]
Oh you like my style
Yeah this shit is lethal
Girl I'll give you a call if a nigga need you
Bitch; I am center stage you don't get a preview
And I don't need my eyes cuz' you niggas see-through
Yeah we dressed up, yeah we fresh as fuck
All I drip is steeze take a sip nigga
500 degrees talking lit nigga
Oh you smell that breeze that's a rich nigga
I get paper
Why you people mad
Tryna blame me for your negatives, boy that shit is trash
That's why we always on some other shit nigga do the math
That's why you got nothing to show fo'
And nigga I'm back[Hook]
Going steady, when I can't have it
They don't want you happy, bitch it's Dj Khaled
They don't want me living in a fucking mansion
They just want me dead cuz' a nigga savage
Guess what?
I'm filthy rich
Chef what we got on the menu here
A bunch of niggas hating on my derriere
That's why I gotta shit on you every year[Verse 2: Azizi Gibson]
Make her twerk
Boy I love women
I don't mean to brag but these my bitches
Damn that ass is fat and I'm tryn' hit it
I just wave a stack fuck a mans feelings

She gon' make it clap

When the titties poke her eye she a fucking villain
Yeah that bangers from the south

All these bitches; I got on me
Imma hurtcha' feelings; that's a warning
This for all the times, niggas called me boring
