

# Let It Be Me

Collin Raye

I bless the day I found you  
I want to stay around you  
And so I beg you  
Let it be me  
Don't take this heaven from one  
If you must cling to someone  
Now and forever  
Let it be me  
Each time we make love  
I found complete love  
Without your sweet love  
What would life be  
So never leave me lonely

Tell me you love me only  
And that you'll always  
Let it be me  
Each time we made love  
I found complete love  
Without your sweet love  
What would life be  
So never leave me lonely  
Tell me you love me only  
And that you'll always  
Let it be me  
Promise you'll always  
Let it be me
