

After Dark

[Donna Beasley](#)

When the sun shines
I burn inside like cinders
When the moon shines
We lie in splendor

You won't see me in the daylight
You tell me it's not the right time
To see me in the daylight
So you meet me after dark
Yeah, you meet me after dark

On the outside
You deny true feelings
On the inside
Love finds you willing

You won't see me in the daylight
You tell me it's not the right time
To see me in the daylight
So you meet me after dark
Yeah, you meet me after dark

I'm the one you didn't plan on
An inconvenient passion
While someone at home waits alone
The sun goes down on us

You won't see me in the daylight
You tell me it's not the right time
To see me in the daylight
You tell me I'm not the right kind
So you meet me after dark
Yeah, you meet me after dark

You sure do love to
You sure do love to
Love me after dark
