Heavy Breathing

The Sillies

Well, this is my last connection , I been slowing up the line
Ain't no satisfaction in this troubled head of mine
Gotta get back to the highway, gonna get back to where I know
'Cause sooner or later there's gonna be a showdown
Gotta go man, gotta goHell, I'm so so tired , so so tired
And I don't know where I'm gonna start
It's only heavy breathing in the darkAin't nobody's sweetheart, ain't nobody's fool
And if the sun don't set on my house babe
I'd be the last man to blow my cool
I feel my body shake, well, there's so much left to say
Spend my life anticipating, gonna find a wayHey, I'm so so tired, so so tired
And I don't know where I'm gonna start
It's only heavy breathing in the dark
In the dark, in the dark, in the darkSo, so tired, so, so tired
And I don't know where I'm gonna start
Only heavy breathing in the dark
Only heavy breathing in the dark
It's only heavy breathing ever been in the darkWell, I don't believe in everything you say
Just to save my soul, you know there's got to be a way
Better than a big black hole, gotta take me from my suicide
Now you know it's love I crave, you know we got to live like this
From the cradle to the graveHey I'm so so so so tired
So so so so tired
I'm so so so so tired
Yeah, yeah, yeah
