

# Ice

## Kelly Rowland

You're like ice, I-C-E  
Feels so nice scorchin' me  
You're so hot, hot  
Baby, your love is so hot, hot  
She been purrin' like a kitten cravin' your love  
I've been countin' on the days you been gone  
A little too long, patient  
Knowin' exactly what it is  
It lasts time  
And now when you come  
And lay between it this time  
Take the ice cube  
(Boy, you know what?)  
Sit it right below my navel  
And watch what I do  
And that's my favorite angle  
My legs are numb now  
Your lovin' be givin' me chills  
You're like ice, I-C-E  
Feels so nice scorchin' me  
You're so hot, hot  
Baby, your love is so hot, hot  
You put the pillow  
Underneath my back  
Got me up against the window  
We got no shame, we goin' in  
He hates it when I use my hands  
He got me sayin' like  
"Damn, my man knows what he's doin'"  
The mirrors, the mirrors up on the ceilin'  
Got things so visual, so visual  
Babe, it ain't never felt so right, yeah  
He comes again, my body goin' numb  
Hot as ice, can't get enough  
You're like ice, I-C-E  
Feels so nice scorchin' me  
You're so hot, hot  
Baby, your love is so hot, hot  
Uh, ice, ice, baby  
Shake that ass just like dice, baby  
You hot and I'm Tunechi  
I beat the cat, animal cruelty  
I'm colder than your man  
He should be your ex  
Now throw that ass back  
Like we playin' pitch and catch, right  
And all your hear is what's my name  
It's yolo, sweet tooth roll tussy

If you are what you eat, I'm pussy  
I'm skatin' on thin iceI put in hole  
We do it 'til we both exhausted, twin pipes  
Pillow under her stomach, the other pillow she bite  
Would you like anythin', 'cause I'll do anythin' you likeI make her freeze up  
Pick her knees up  
She want a maid  
Watch me clean upI know where to put it, I put it in her life  
I leave that pussy smokin'  
Smokin' like iceYou're like ice, I-C-E  
Feels so nice scorchin' me  
You're so hot, hot  
Baby, your love is so hot, hotYou're like ice, I-C-E  
Feels so nice scorchin' me  
You're so hot, hot  
Baby, your love is so hot, hot
