

# Hey You

## Mr Hudson

I don't know you, you don't know me  
I don't believe hey you, hey you, hey you Maybe I was sleeping, now I see you  
Don't pass me by  
Baby now I've seen you, I can see you again  
Johnson's always slipping, I get left behind  
But now I'm feeling lucky, lucky again  
Now I've seen you there is no way out  
I can't live without it, move without it  
What do we say when we finally get to speak  
Hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you  
I don't know you, you don't know me  
I don't believe hey you, hey you, hey you  
Hey you, hey you, hey you For me I've been dreaming bout you  
Don't ask me why  
Somehow now I've seen you, those dreams make sense  
Now I've seen you there is no way out  
I can't live without it, move without it  
What do we say when we finally get to speak Hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you  
I don't know you, you don't know me  
I don't believe hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you  
I don't know you, you don't know me  
I don't believe hey you, hey you, hey you  
Hey you, hey you, hey you.
