

# For The First Time

## The Script

She's all laid up in bed with a broken heart  
While I'm drinking Jack all alone in my local bar  
And we don't know how we got into this mad situation  
Only doing things out of frustration

Trying to make it work but man these times are hard  
She needs me now but I can't seem to find a time  
I've got a new job now in the unemployment line  
And we don't know how we got into this mess it's a gods test  
Someone help us 'cause we're doing our best

Trying to make it work but man these times are hard  
But we're gonna start by drinking old cheap bottles of wine  
Sit talking up all night  
Saying things we haven't for a while, a while yeah  
We're smiling but we're close to tears  
Even after all these years  
We just now got the feeling that we're meeting  
For the first time

She's in line at the dole with her head held high  
While I just lost my job but didn't lose my pride  
But we both know how we're gonna make it work when it hurts  
When you pick yourself up you get kicked to the dirt

Trying to make it work but man these times are hard  
But we're gonna start by drinking old cheap bottles of wine  
Sit talking up all night  
Doing things we haven't for a while, a while yeah  
Smiling but we're close to tears  
Even after all these years  
We just now got the feeling that we're meeting  
For the first time

Drinking old cheap bottles of wine  
Sit talking up all night  
Saying things we haven't for a while, a while yeah  
We're smiling but we're close to tears  
Even after all these years  
We just now got the feeling that we're meeting

For the first time  
For the first time  
Oh, for the first time  
Yeah, for the first time  
Just now got the feeling that we're meeting  
For the first time

Oh these times are hard  
Yeah they're making us crazy  
Don't give up on me baby  
Oh these times are hard  
Yeah they're making us crazy  
Don't give up on me baby

Oh these times are hard  
Yeah they're making us crazy  
Don't give up on me baby

Oh these times are hard  
Yeah they're making us crazy  
Don't give up on me baby
