

# I Have Never Been To Memphis

## Rascal Flatts

I come from California  
Where you say no one grows old  
Y'all drive to fast.  
But you say it so slow.  
With that southern style, baby  
It drives me crazy.  
And I have to laugh. I have never been to Memphis  
But if you're there  
I will pack my bags, and go. Oh even though it never rains here,  
And the sun is always shining.  
But I've never met a girl like you  
And I'm tired of trying.  
I have never been to Memphis. You're all crazy about Jesus  
Back where you're from.  
You get baptized in rivers  
Where the deep water runs.  
And that's alright by me,  
I love that you believe in  
Something you can't touch,  
Something you can't see. I have never been to Memphis  
But if you're there  
I will pack my bags, and go. Oh even though, I'm not afraid to fly  
But I am afraid to fall.  
I've been painting it by numbers  
You've been splashing it on the wall  
And I can see the colors running  
Lets me know just where to go after all, yeah after all  
I've gotta get there baby  
Oh yeah, you know I've gotta get myself there I have never been to Memphis  
But if you're there. I'm on my way  
I'm on my way  
I'm on my way  
Said I'm on my way  
I'm on my way Gotta get myself to may be I have never been to Memphis  
But if you're there I have never been to Memphis You're all crazy bout Jesus  
Back where you're from,  
Get baptized in rivers  
Where the deep water runs
