Let Go

Vicci Martinez

How do I find a way to remember all the ones that Ive loved
How do I rewind
In a dream, memories come alive, you and I in a dream
Is where I see youWhen the angels gave you wings
You were holding onto me
A love, our love
We were learning to let goHow do I find a way to forgive and not forget, I ran away
But you didnt chase me
You were young, we were young, if you could see me all grown up would you be proud
Of who I am nowWhen the angels gave you wings
You were holding onto me
A love, our love
We were learning to let go[Bridge:]
Life goes by in a blink of an eye
If I wasnt perfect, Im sorry I tried
You dont have to worry, were gonna to be fine
Youre learning to let go, now follow the lightYeah, yeah, yeah, yeah, yeah
Were learning to let go
Yeah, yeah, yeah, yeah, yeah
Were learning to let go
We cant fix what isnt broken, my heart is always open
We cant fix what isnt broken, my heart is always open
My heart is always open
And I, Ill never let go
