Something About You

Kim Sanders

Darlin', darlin'
If I could have you to call my very own
I'd work my fingers to the bone, I'd never roam
To you, I'd always come home
'Cause there's something about you, baby
That makes me keep loving you
Yeah, there's something about you, baby
Makes me love you just a little bit more
Truly love you just a little bit more
Sweet, sweet thing I satisfy
Sweet, sweet thing, you set my soul on fire
I need you, got to have you
No matter what price I have to pay
'Cause without the scent of your loving arms
I don't need to thing anyway
'Cause there's something about you, baby
That makes me keep loving you
Yeah, there's something about you, baby
Makes me love you just a little bit more
Truly love you just a little bit more
Sweet, sweet thing I satisfy
Sweet, sweet thing, my only desire
I'm just your puppet on a string
And tears are sometimes it brings
Well, do me anyway you wanna when you wanna
I'll keep loving you just the same
'Cause there's something about you, baby
That makes me keep loving you
Yeah, there's something about you, baby
Makes me love you just a little bit more
Truly love you just a little bit more
You're a real smooth operator
You're a devil in disguise
Well, there's something about you
That shakes me all up inside
You're a real heart breaker
I need you just the same
Something about you, baby
Something about you
