Caged Bird

The Shroud

The wind did blow across the valley
So we can run under illusion
This one dream I see it's true
the caged bird sings the blues for you
This one dream I see it's true
the caged bird sings the blues for you
I know where we can fly
Into, into thin air something to believe or beware
Into thin air something to believe or beware
Into thin air
Hold on
I know where we can fly
Hold on
Hold hold hold hold on on on on
Hold hold hold hold on on on on
Oh someway
To break the cage and route the rage to love, love

Oh for so many nights
A prayer to breach that star you'll reach tonight
Into, into thin air
something to believe or beware
Into thin air, no light despair
Into thin air, something to believe
Hold on hold on
It's all a dream it seems to feel the air you breathe
There's so much needing, we are believing
It's all a dream it seems to feel the air you breathe
There's so much needing, we are believing
It's all a dream it seems to feel the air you breathe
There's so much needing, we are believing
It's all a dream it seems to feel the air you breathe
There's so much needing, we are believing
Hold hold hold hold on on on on
Hold hold hold hold on on on on
