No Mans Land

Panda Bear

Change, why
Change of mind
Change, why
Change of mind
Change, why
Change of mind
Change, why
Change of mind
So
So-so-so
I can tell you
I don't want to go
Where it's a little dark
Don't even want you close
If it means uneasy shifting starts
I don't want to go
Where it's a little dark
Don't even want you close
If it means uneasy shifting startsSo it's getting busy living
Or it's getting busy dying
So it's getting busy living
Or it's getting busy dying
I can tell you
I don't want to go
Where it's a little dark
Don't even want you close
If it means uneasy shifting starts
I don't want to go
Where it's a little dark
Don't even want you close
If it means uneasy shifting startsSo it's getting busy living
Or it's getting busy dying
So it's getting busy living
Or it's getting busy dying
So it's getting busy living
Or it's getting busy dying
So it's getting busy living
Or it's getting busy dying
So it's getting busy living
