

Whale Song

Modest Mouse

I guess I am a scout so I should find a way out
So everyone can find a way out
They keep us in to pull us out
I'm rising up, wish I was sinking down
And it's not like there was warning and we were happy
And it's not like there was mourning in the warning
I know I was a scout, I should've found a way out
So everyone could find a way out
I know I was a scout, I should've found a way out
So everyone could find a way out

Instead of seeing a neighbor out
God, I wish I would've found a way out
It's the last time, we were happy, ever happy
I know I was a scout, I should've found a way out
So everyone could find a way out
Well, I know I was a scout, I should've found a way out
So everyone could find a way out
Well, I know I was a scout, I should've found a way out
So everyone could find a way out
