Tear It Down

Kb

Yeah oh,
Listen up I think it's time we started talking,
About everything that's going down,
Can you see it too they never seem to tell the truth,
Listen up cause I know the tension sinking,
Is it you their always bringing down,
Now it's time they lose,
We'll take it back we'll run them all right through,
Build it up, Tear it down now,
Build it up, Tear down we ain't taking no more,
Build it up, Tear it down now,
Build it up, Tear it down we ain't taking no more,
Why were we fighting,
When we don't have time to let go, (Now let it go)
Why were we fighting when we don't have time,
No we don't have time, So lets go,
Give it up think it's time that you started praying,
Can't have another wasted life,

Your not so concerned, You're selling out for what you've earned,
Give it up I can feel your anger rising,
Feel the smoke that has been blinding eyes,
Now the tide has turned you'll breathe the ash from bridges that you've burned,
Build it up, Tear it down now,
Build it up, Tear it down we ain't taking no more,
Build it up, Tear it down now,
Build it up, Tear it down we ain't taking no more,
Why were we fighting,
When we don't have time to let go, (Now let it go)
Why were we fighting when we don't have time,
No we don't have time, So lets go,
I know I can't, I know I can't,
I know I can't, Refrain,
Why were we fighting,
When we don't have time to let go, (Now let it go)
Why were we fighting when we don't have time,
No we don't have time, So lets go,
