Beautiful Peace

Murmurs

Fly away where a new world waits for you
Always look back though
Not to cry, and not to regret
Just to help whose left behind
Help us all to heal and understand
Cause we don't know why you had to leave
I can only guess it was time for you to be free
To ascend to a broader more wonderful life than this
I believe you're in a better place now
A place where only beautiful souls will hold you
Be sure to comfort, and protect your children
They need now
Stand behind them
Rise within them
And love them
