Don't skate on my ramp

Satanic Surfers

May I say something to you
Straight from my heart, you know it's true.
I think you're so fucking sick,
You're stupid and you're weak
And everything you stand for is fucking wrong.
Why don't you think a second time
And try to keep an open mind.
Maybe then you'll understand
Learn to lend a helping hand,
Instead of using it for masturbation only.
You are a nazi skinhead and I know you hate me
Because i'm not like you, no!
And I don't share your opinion.
Your fascist way of thinking,
Your racist point of view
Your primitive way of acting
You know what you can do now?
You can take your nationalism
You can shove it up your ass, yeah!
You can take your white arian pride now,
You can shove it up your ass, yeah!
