Give It All You Got

Dj Primo

YEAH!
I dont care what time it ?
Whatsup ?
Im gunna keep partyin'
Lets do it!
Im gunna give it all I got (oh me too)
So I need to see you, doin' the same thing!
We'll party, party, p-party
You know we're never sober
Once we step on the floor
You know we take it over
Hands up in the air
We on a rollercoaster
Oh, oh ohh
One night to live (so we live it up)
Then we do that damn thing (then we give it up)
Gimme any kind of shot (then I drink it up)
Gone hit the dance floor girl (heat it up)
Hands up reach to the sky (put em up!)
Get crazy in the club (lets tear it up!)
Dont wanna stop (?)
We gone party every day we dont give a WHAT
Ladies lookin like super models
Everybody's over here poppin bottles
DRINK IT UUUP, FULL THROTTLE
Fiesta like theres no tomorrow!
We'll party, party, p-party
You know we're never sober
Once we step on the floor
You know we take it over
Hands up in the air
We on a rollercoaster
Oh, oh ohh
Crank it up
Dont stop
You can give it all you got
Lets rock dont stop
You can give it all you got
At the top top top

You can give it all you got
Oh, oh ohh
Twist and turn let your body rock
Lose control lets your hips pop
Beats so hard make your heart stop
Drink until your body drops
Start the fire let it blaze
Let your animal out the cage
Get wild and crazy
Lets behave ???
???
Anytime anywhere we gone (do it up)
We gone party all night I dont give a WHAT

We'll party, party, p-party
You know we're never sober
Once we step on the floor
You know we take it over
Hands up in the air
We on a rollercoaster
Oh, oh ohh
Crank it up
Dont stop
You can give it all you got
Lets rock dont stop
You can give it all you got
At the top top top
You can give it all you got

We'll party, party, p-party
You know we're never sober
