

Down on the Farm

Guns N' Roses

All I need is some inspiration
Before I do somebody some harm
I feel just like a vegetable
Down here on the farm Nobody comes to see me
Nobody here to turn me on
I ain't even got a lover
Down here on the farm They told me to get healthy
They told me to get some sun
But boredom eats me like ketchup
Down here on the farm Drinking lemonade shanty
Ain't no body gonna do me harm
But I'm like a fish out of water
Down here on the farm I write a thousand letters
'Til my fingers all gone numb
But I never see no postman
Down here on the farm I call my baby on the telephone
I say come down and have some fun
But she knows what the score is
Down here on the farm I can't fall in love with a wheat field
I can't fall in love with a barn
When everything smells like horse shit
Down here on the farm Blue skies and swimming pools
Add so much charm
But I'd rather be back in Soho
Than down here on the farm On the fucking farm! Are you born in a fucking barn or what? Baaaaaa!
