

I Can't Imagine

Dennis Ferrer

Something in those lovely eyes
makes me want to harmonize
I can put away the blues
when I take one look at you

It ain't hard to realize
how you make me feel inside
Girl you know I'm diggin' you
but honesty and love will do

well it hasn't been long but its funny
cause girl I think I love you
girl I'm singing this song, there ain't nothing wrong
cause I found the one
I want you in my life
in my life, in my life

I cant imagine baby. (ad lib x 5)
(no I cant imagine love if it ain't you) x 5

I've been searching for someone like you
and now that your here in front of me
girl your so much more than I ever need
I want to take the time
the time it takes to do this right
it ain't all that hard to do
cause I just want to be with you

well it hasn't been long but its funny
cause girl I think I love you
girl I'm singing this song, there ain't nothing wrong
cause I found the one
I want you in my life
in my life, in my life

I cant imagine baby.
(no I cant imagine love if it ain't you)
(ad lib x 13)
(no I cant imagine love if it ain't you) x 13
