

# Northern Light (PJ Harmony Radio Edit)

## Basshunter

When I'm gone  
Like the northern light  
I'll shine down on you I'll keep my magic sparkle  
Brighter and higher  
For you I can see sadness in your eyes  
Remember our love will never die  
To watch your future from afar  
Will surely leave me scarred But I have to face my demons  
I have to realize  
That I can't be with you anymore  
But it's alright Yeah it's alright  
Yeah it's alright  
You just gotta be strong 'Cause when I'm gone  
Like the northern light  
I'll shine down on you I'll keep my magic sparkle  
Brighter and higher  
For you When I'm gone  
Like the northern light  
I'll shine down on you I'll keep my magic sparkle  
Brighter and higher  
For you I know it might seem unfair  
That tomorrow's not ours to share  
But let me guide you when you're lost  
"I'm so much more than shadow and dust But I have to face my demons  
I have to realize  
That I cannot be with you anymore  
But it's alright Yeah it's alright  
Yeah it's alright  
You just gotta be strong Whoah ohh ohh ohhhh  
Whoah ohh ohh ohhhh When I'm gone  
Like the northern light  
I'll shine down on you I will keep my magic sparkle  
Brighter and higher  
For you
