## Gossip

People wishin', dream in  
It's gonna happen, dream on  
Tuff love, tuff love, tuff love  
Wait, it's comin' around  
People wishin', dream on  
It's gonna happen, dream on  
Tuff love, tuff love, tuff love  
It's comin' around  
It's comin' around  
People wishin', dream on  
It's gonna happen, dream on  
Tuff love, tuff love, tuff love  
Wait, it's comin' around
