

# Total Eclipse of the Heart

Bonnie Tyler

Turnaround, every now and then I get a little bit lonely  
And you're never coming round  
Turnaround, every now and then I get a little bit tired  
Of listening to the sound of my tears  
Turnaround, every now and then I get a little bit nervous  
That the best of all the years have gone by  
Turnaround, every now and then I get a little bit terrified  
And then I see the look in your eyes  
Turnaround bright eyes, but every now and then I fall apart  
Turnaround bright eyes, every now and then I fall apart And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong together  
We can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight
