Supermodel Robots

Network

Not quite a fembot
But almost an alien
She's in the smell of the month club
I feel it in my lungsLesbian junkie funky
Slam dunk a cosmonaut
Laser guns and having fun
Biological parking lotAll systems downSo titty-twist a mad scientist
Oh is this the toxic ride
Wrap me up in a plastic bag
And hang me out to dryArtificial respiration
I need my medication
Load me up and light a match
All systems down and outIt's down and outAll systems downSo titty-twist a mad scientist
Oh is this the toxic ride
Wrap me up in a plastic bag
And hang me out to dryLesbian junkie funky
Slam dunk a cosmonaut
Laser guns and having fun
Biological parking lotAll systems down
