Not quite a fembot  
But almost an alien  
She's in the smell of the month club  
I feel it in my lungs Lesbian junkie funky  
Slam dunk a cosmonaut  
Laser guns and having fun  
Biological parking lot All systems down So titty-twist a mad scientist  
Oh is this the toxic ride  
Wrap me up in a plastic bag  
And hang me out to dry Artificial respiration  
I need my medication  
Load me up and light a match  
All systems down and out It's down and out All systems down So titty-twist a mad scientist  
Oh is this the toxic ride  
Wrap me up in a plastic bag  
And hang me out to dry Lesbian junkie funky  
Slam dunk a cosmonaut  
Laser guns and having fun  
Biological parking lot All systems down
