

# I Get Lifted

## Snoop Dogg

Good morning niff-nods and stoners  
I would like to welcome you to Nathanael Hill High School  
The home of the scholars, the home of the impalas,  
And the home of the Rottweilers,  
I'm your counselor, Warren G

[Chorus]

I'm just soaking up this breeze, smoking on some trees  
Smoking on this weed, this is all I need  
Smoking on this weed, this is all I need  
Smoking on this weed, this is all I need  
I get lifted, I get lifted, everyday  
I get lifted, I get lifted, I get lifted, I get lifted, everyday  
I get lifted, I get lifted, hey

Overzel me, propel me, propeller, cat pilla,  
Rap healer, dope dealer, grip it back  
Lick it back now, reseller,  
Exhale, inhaler, feller, Juice is poured  
Deuces for all you loud mouth bitches who adore  
I can't play on your field anymore  
Take it flight, now look at me soar  
In and out of space with my foot to the floor  
Higher and higher, I won't retire  
Halfie don Kaya, Love smokin' fire tata like satellite,  
All on the wire,  
Keep it up, speed it up, slow it up throw it up  
Your bitch is looking at me cause she probably wanna go with us  
It's cool with me, hop in, hop in, ain't no stopping  
We keep knocking, rocking

[Chorus]

Dimes, dubs, quarter ounce oz, put it in the zag  
Let it burn slowly, everywhere I am  
Nigga got a blow tree rolling every gram  
They be like holy smokes, that man no joke  
Can tell if it's that "ehh" if he don't choke  
Never gonna quit, every chance I'm a toke  
Zips smelling like the whole plant in my coat

Fam I don' smoked fans weed and bought bags for autographs  
coming at me with all the names of what I gotta have  
I got my own shit, and this ain't for the little kid  
This grown shit, having a party at my crib  
Bring your own bitch, I got three, so matter of fact you can take one  
And roll a joint baby girl let's bake one  
And take this weed and I can show you how to make one, ah

I'm just soaking up this breeze, smoking on some trees

Niggas know I get lifted it's high school,  
I stay high, I mean I don't gotta get high I'm already there,  
yeah, I was high when I said that, haha, whatup snoop!

Smoking on this weed, this is all I need  
Smoking on this weed, this is all I need  
Smoking on this weed, this is all I need  
I get lifted, I get lifted, everyday  
I get lifted, I get lifted, I get lifted, I get lifted, everyday  
I get lifted, I get lifted, hey

I'm just soaking up the breeze, smoking on some cheese  
I blame it on you, you blame it on me, we blame it on trees  
Smoking on this weed, this is all I need  
I blame it on you, you blame it on me, we blame it on trees

I get lifted, I get lifted, everyday
