

# Monkey Man

## Toots and The Maytals

Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man  
Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man  
I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man It's not lie, it's not lie  
Them a tell me, you huggin' up the big monkey man  
It's not lie, it's not lie  
Them a tell me, you huggin' up the big monkey man Now I know that, now I understand  
You're turnin' a monkey on me  
Now I know that, now I understand  
You're turnin' a monkey on me Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man  
Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man  
I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man It's not lie, it's not lie  
Them a tell me, you huggin' up the big monkey man  
It's not lie, it's not lie  
Them a tell me, you huggin' up the big monkey man Now I know that, now I understand  
You're turnin' a monkey on me  
Now I know that, now I understand  
You're turnin' a monkey on me Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man  
Aye aye aye, aye aye aye  
Tell you baby, huggin' up the big monkey man I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man  
I've seen no sign of you, I only heard 'bout you  
Huggin' up the big monkey man It's not lie, it's not lie  
Them a tell me, you huggin' up the big monkey man  
It's not lie, it's not lie
