I Had Him First

Jade Ewen

I see him from across the bar
You was looking in the wrong direction
And i can tell that you intention will effect meYeah lady, you can be a rising star
And just a honey with the right connection
And I gone tell you how it is
if you can follow meCuz I got the man the dignity
Your acting like a bitch and he
I run the show so take a sit
So his leaving here with meI had him first
If you want him come claim him
I had him first
And I am gone retain him
Oh ah oh, Know whacha doing
Oh ah oh, But that my baby
I had him first
Cant you see my name on him
I had him first
I can tell that you want him
Oh ah oh, I know your doing
Step up your game cuz
I had him firstI know you think your rolling high
I see you checking the car he came in
I saw you eyeing up my back and looking at me
But girl you know the car he drives
Ain't going nowhere cuz it been party
See clever ladies, know the way to get
What we needCuz I got the man, I got the cool
You need to go or make your move
i like to see what you can do
Cuz his leaving here with meChorus
I had him first
If you want him come claim him
I had him first
And I am gone retain him
Oh ah oh, Know whacha doing
Oh ah oh, But that my baby
I had him first
You see my name on him
I had him first

I can tell that you want him
Oh ah oh, I know your doing
Step up your game cuz
I had him firstIf you want him come get him
If you want him come get him
His so fine, I see why you looking
But his all mine baby
If you want him come get him
If you want him come get him
His so fine, I see why you looking...
Yeahh yeahh yeahhI had him first
If you want him come claim him
I had him first
And I am gone retain him
Oh ah oh, Know whacha doing
Oh ah oh, But that my baby
I had him first
You see my name on him
I had him first
I can tell that you want him
Oh ah oh, I know your doing
Step up your game cuz
I had him firstStep up your game cuz I had him first
