Only One Winner

Nazz

There is only one winner
There is only one prize
Whoever gets your heart is the winnerThere is only one winner
I'm at war with a man that I still haven't seen
It's a fight for life, if I lose you I'll die
Somebody's got to lose you and that's whyThere is only one winner
There is no second place
I only know I must be the winnerThere is nothing to lose but the sight of your face
I can't stay around if I know you're not mine
Somebody's gonna be lost in your mindThere's a line I don't want to have to follow behind
And I just can't see myself
Not hugging you, loving youThere is only one winner
You're the one to decide
You've got to tell me who is the winnerTell me who gets the broken heart, who gets the bride
Not a thing I can do it depends upon you
But nobody wants to win more than I doI can't lie and I'll do anything
To show you my side
I won't lie, no I won't lie
I'll do anything to bring you over to my sideTake your time, take your time
If you want all my time is yours
Time is yours, time is yours
To make me the winnerMake me the winner
Make me the winner
Make me the winner
