Lately

Divine

Lately
(I've been watching you)
Been thinkin 'bout you, baby
(And everything you do)
Just sittin' away watching the days go by
Just sittin' away watching the days go byHave you ever felt a breeze hit hard
Like the wind was blowing it apart?
As you're spinning like a merry-go-round
Indications of a storm touching downWish that I can wear the rain and storm
But I guess it was heart break from the norm
Was a day I will always remember
The saddest day in sweet NovemberLately
(I've been watching you)
Been thinkin 'bout you, baby
(And everything you do)
Just sittin' away watching the days go by
Just sittin' away watching the days go byBaby, I'm on my knees praying, God, help me please
Bring my baby back right back to me
If lovin' you was right then I don't wanna go wrong
So I drown myself with tears
Sittin' here, singin' another sad love songLately
(I've been watching you)
Been thinkin 'bout you, baby
(And everything you do)
Just sittin' away watching the days go by
Just sittin' away watching the days go byLately I've been torn apart
I wish you hadn't broke my heart
I'm missin' you, babe
Missin' you, baby JayLately I've been torn apart
I wish you hadn't broke my heart
I'm missin' you babe
Missin' you, baby JayLately
(I've been watching you)
Been thinkin 'bout you, baby
(And everything you do)
Just sittin' away watching the days go by
Just sittin' away watching the days go by
